Defendant.

CASE NO. CV 07-05415 MMC

**ORDER GRANTING
STANFORD'S MOTION FOR
ADMINISTRATIVE RELIEF TO
RESCHEDULE CASE
MANAGEMENT CONFERENCE**

Pursuant to Local Rule 7-11 of the U.S. District court for the Northern District of California, Plaintiffs The Board Of Trustees of The Leland Stanford Junior University, Stanford Hospital and Clinics; Lucile Packard Children's Hospital at Stanford (collectively "Stanford") submit this Motion for Administrative Relief, requesting that the Court delay the Case Management Conference currently scheduled for March 7, 2008, until April 11, 2008, or later, pending the Court's schedule.

Although Stanford has not yet served Luxembourgish Defendant Advanced Biological Laboratories, S.A. ("ABL") with the Complaint, ABL and its counsel have been in settlement negotiations with Stanford and its counsel and believe that a settlement could soon be reached without requiring the Court's intervention. The parties have made substantial progress to date and counsel for ABL concurs in Stanford's efforts to reschedule the Case Management Conference.
